Wacom colour manager

Модел : EODIS3-DCWA
Wacom colour manager
Предназначен за: Графични дисплей таблети

X-ка 2: As every artist knows, sharing and reproducing color can be quite frustrating, as colors can look very different from one monitor, display or projector to another or when output as photos, prints, or in animation and video.

X-ка 3: Luckily, the Wacom Color Manager can help take the mystery and complexity out of color management and make sure that colors on your displays and in your finished work reproduce exactly as you intend and look true-to-life on all your devices.

X-ка 4: Eliminate guesswork, create a color safe environment and attain color accuracy on all displays and final outputs with the ultimate color management solution for artists, photographers and designers.

X-ка 5: System Requirements: Windows 7, 8, and 10. Mac 10.8, 10.9, 10.10, and 10.11.
