Жичен геймпад Nacon Wired Compact Controller Camo Grey, Сив

NACON's Wired Compact Controller is officially licensed for PS4™ consoles and boasts a range of essential features, including a touch pad, vibration motors and an LED player status indicator. It also includes action buttons with PlayStation® symbols and colours, as well as SHARE, OPTIONS and PS buttons.

The ergonomic shape and rubber surface provide superior comfort and optimal grip for all types of games, even after long gaming sessions.

With a 3m cable, it fits easily into your living room gaming set-up. It comes with a headset jack for complete immersion in your favourite games.

The Wired Compact Controller is also PC compatible (X-Input) for even more versatility.
